Text Message (SMS) Consent Form

Dayton Outpatient Center offers an optional text messaging program that sends appointment reminders, scheduling messages, and billing updates to patients who choose to enroll. Completing this form is optional. You do not need to enroll to book an appointment or receive care.

☐ I agree to receive recurring text messages from Dayton Outpatient Center about appointments, scheduling, and billing at the mobile number I provide below. Consent is not a condition of receiving care. Message frequency varies. Message and data rates may apply. Reply STOP to opt out or HELP for help. See our SMS Program Terms & Conditions at daytondoc.com/doc/sms-policy and our Privacy Policy at daytondoc.com/doc/privacy-policy.

This box is optional. You may leave it unchecked, complete your registration, and still receive care. If you do not opt in, we will contact you by phone.
